EXPERIENCE

TeDo (ex-PwC Russia), St Petersburg, Russia: Associate, Valuation   Sep 2021 – Present

- Performed company valuations utilizing (i) comparable public company analysis, (ii) precedent transactions analysis, and (iii) discounted cash flow (DCF) analysis for cement, sauces and condiments, aquaculture, floricultural, consulting and lumber industries;
- Implemented derivative pricing models (cap and floor options, swaps, etc.) for multiple companies;
- Structured and visualized valuation results in PowerPoint and Power BI;
- Provided impairment test of IA for online maps provider as a part of an audit support team;
- Coordinated the workflow of 2 interns, assisted with onboarding process of new joiners;

MMiles & Yards, St Petersburg, Russia: Intern, Summer Internship   July 2021 – Aug 2021

- Conducted commercial real estate marketing research and analysis of rental rates in particular areas in Moscow and St. Petersburg;
- Analyzed options available for a use of a non-working factory building and recommended object re-profiling based on DCF analysis and resource considerations;
- Developed HRM-system tracking time attendance of each employee and data visualization dashboard; resulted in more even and efficient distribution of the workload within the company, saved 10 hours/month for HR-director;
